1. [ ] Called Don Elisburg, Subcommittee on Labor staff, Senate Committee on Labor and Public Welfare, for a status report on our recommendation for the conference report on Age Discrimination rider to the Fair Labor Standards Act Amendments (S. 2747). Elisburg said there would be something in the conference report for us and Gerry Feder, Counsel on the Subcommittee, is presently working on it.

2. [ ] Received a call from John Ritch, Senate Foreign Relations Committee staff, on the subject of Committee treatment of Agency personnel figures in the report which they are preparing on the total number of U.S. Government employees serving abroad. I told Ritch that we had taken this matter up with Pat Holt, of the Committee staff, and I would have to check with our people to see where we stood on it. Ritch

4. [ ] Received a call from [ ] General Counsel, NSA, who is getting quite edgy about the pressure he is getting from Norvill Jones, staff of the Muskie Subcommittee on Surveillance, for responses to questions he has put to [ ] I told [ ] I would still advise against [ ] meeting with Jones and agreed it would do no harm for him to take this up with Ed Braswell, with whom I have consulted about it. I told [ ] we were still pulling our material together and did not plan to go into this in great detail with our Subcommittees until this information was ready. I did remind him (as John Warner had informed him earlier) of Senator Symington's warning about our providing for release 2007/02/07 : CIA-RDP75B00380R000800030008-7
